Dear Ms. Cunanan:

Warmest greetings!

Established in February 2015, the Culture and Events Library, a platform run by E4E Business Ventures, is conceptualized to promote information literacy to students and professionals across all disciplines. Over the period of one year, the Culture and Events Library has successfully organized six activities which center on continuing professional development. According to the International Federation of Library Associations and Institutions (2016), *"The quality and effectiveness of library and information services depend on the expertise of staff...The librarian [among other information professionals] is an active intermediary between users and resources. Professional and continuing education of the librarian is indispensable to ensure adequate services."*

It is for this reason that Culture and Events Library invites you its **National Training-Workshop on Developing New Library Services** at iMerex Plaza Hotel, Angeles City on October 27-29, 2016. The aim of the training-workshop is to teach the participants how to conceptualize and develop new and customer-based library services in school, academic, public and special libraries.

Experts in the field of school, academic, public and special librarianship have been invited. Slots are limited. Registration fees for the training-workshop to defray expenses for speakers' honoraria, meals, workshop materials and certificates are as follows:

- Php 2,500.00 - Early bird registration (on or before September 30, 2016 only)
- Php 2,800.00 - Regular registration

Payment shall be made in CASH or by CHECK payable to **E4E Business Ventures** thru its BDO Account No. 006620119920. Scanned deposit slips shall be sent also to [roilingelc@yahoo.com](mailto:roilingelc@yahoo.com) or to be presented (original and photocopy) during the training.
