DEAR SIR:

We are deeply honored to present to you our newest Health and Wellness product. **The DiMeTens S1000**
Our latest health device is exclusively distributed by Brightmove Corporation.

Our product is capable of doing **6 different functions** that shall give you health beneficial results. Our product is capable of:

1. **Health Diagnosis** - Through the accupoints scanning, we will be able to detect body imbalances/disturbances that may create ailments in our body.
2. **Blood Pressure Monitor** – to daily in monitor your Blood pressure and pulse rate.
3. **Blood Glucose Meter** – for daily monitor your blood sugar level.
(Both Blood Pressure Monitor and Blood Glucose meter are operated thru AC power source).
4. **TENS Therapy** - (Transcutaneous Electro Nerve Stimulations) – By using the electro paths, instant relief from body pain can be treated and eventually help us normalize our body functions.
5. **Electro Reflex Energizer** - By using a slipper type attachment, we can benefit from the reflexology effect to our body.
6. **Detoxification** - By using the Detox function we are able to get rid of body toxins thru electrolysis and ionization.

In this note, we are glad to personally demonstrate the aforesaid functions and benefits of the product.

Healthfully yours,
