SUBJECT : LOGISTIC SUPPORT OF SANOFI PASTEUR COMPANY FOR THE DENGUE
VACCINATION PROGRAM DURING PARENT-TEACHER ASSOCIATION (PTA)
MEETING

DATE : May 26, 2016

This has reference to the ongoing dengue vaccination program conducted in your respective regions. There was poor coverage of vaccination in the three regions as noted during the TWG meeting held on May 25, 2016.

To increase the coverage of vaccination this coming opening of classes in June, The PTA meeting/assembly is a good avenue to re advocate the importance of dengue vaccination. There is a need to emphasize to the parents to sign the permits and, as much as possible, to accompany their children during vaccination time for history taking purposes.

In light of this matter, Sanofi Pasteur Company expressed its support in the conduct of PTA meetings in the schools and in any advocacy activities for the dengue vaccination program.

Should you wish to avail of assistance in advocacy measures of Sanofi Pasteur, Ms. Ruby Dizon may be able to help you at telephone no. 479-9124; cp no. 0998-9593221 or send an email at ruby.dizon@sanofipasteur.com

Thank you for your favorable response.
