Dear Dr. Garma:

The Philippine-American Educational Foundation (PAEF, also referred to as the Fulbright Commission in the Philippines) is pleased to announce the start of the competition for the academic year 2018-2019 Fulbright Graduate Student Program beginning December 12, 2016. Qualified applicants can apply for graduate degree studies (i.e., master's, Ph.D.) or non-degree studies (i.e., doctoral dissertation research) in the United States. We request for your assistance in disseminating competition information and in recruiting applicants for the Fulbright Graduate Student Program. Applications for these grants will be received by PAEF until March 24, 2017.

Fulbright grants have been awarded since 1948 to nearly 3,000 Filipinos. The purpose of the Fulbright Program is to enable deserving Filipinos to pursue their fields of study in the United States and become leaders in their fields of specialization and to contribute to fostering mutual understanding between the people of the United States and the Philippines. Today, Fulbright alumni occupy prominent positions in the government and the private sector.

The Fulbright application form can be downloaded from the PAEF website www.fulbright.org.ph. Additional competition information and materials are available from our website. Forms may also be obtained directly from the PAEF office. We strongly encourage interested applicants to check our website and to download the required form. They can also like us on Facebook at www.facebook.com/philippines.fulbrightcommission where announcements and other relevant information are posted regularly. Attached is an application form which may be photocopied.

We look forward to your participation this year. Thank you.

Sincerely,

 Dr. Esmeralda S. Cunanan
 Executive Director
