

Division Advisory

No. 206, s. 2017

RELEASED

SEP 25 2017

To : School Heads of Public and Private Elementary and Secondary Schools

By DepEd Angeles City
Division Office

From : LEILANI S. CUNANAN, CESO VI
OIC-Schools Division Superintendent

Subject : **2017 INTERNATIONAL TEENAGERS MATHEMATICS OLYMPIAD (ITMO) NATIONAL PARALLEL CLUSTER**

Date : September 25, 2017

The Philippines in coordination with the *Department of Education* thru the issuance of DepEd Advisory No. 112, s. 2017 and in cooperation with the *Department of Science and Technology* will be hosting the **2017 International Teenagers Mathematics Olympiad (ITMO)** at Waterfront Insular Hotel, Davao City on November 8 – 12, 2017. This Olympiad expects around 600 participants and delegates from Australia, Bangladesh, Bulgaria, Brunei Darussalam, China, Hong Kong, India, Indonesia, Iran, Kazakhstan, Macau, Malaysia, Mongolia, Mexico, Nepal, Romania, Singapore, South Africa, South Korea, Sri Lanka, Taiwan, Tajikistan, Thailand, Uzbekistan, Vietnam and Zimbabwe.

On the other hand, the MTG Philippines, in its effort to provide maximum opportunity to the country's math-inclined Filipino students to broaden their mathematical horizon will also organize the **ITMO National Parallel Cluster** on Saturday, November 11, 2017 in Northern Luzon to be held at Angeles City National Trade School.

The ITMO National Parallel Cluster aims to:

- Provide opportunity to students to join a contest that is national in form and international in substance;
- Build-up students' confidence to boost up their mathematical skills through competition; and
- Provide opportunities to students to develop their reasoning ability and creative thinking skill to solve challenging problems in mathematics.

The ITMO National Parallel Cluster has the following characteristic:

- It is national in form since the participants will compete among themselves and their performance has no bearing to the results of the ITMO international group.
- It is international in substance and scope since the contest papers are the same as those of the ITMO international group and some ITMO rules and regulations shall be applied.

The **ITMO National Parallel Cluster** is **OPEN** to all interested public or private students from the following levels:

- Middle Primary Division(Grades 3 and 4)
- Upper Primary Division (Grades 5 and 6)
- Junior Division (Grades 7 and 8)
- Intermediate Division (Grades 9 and 10)
- Senior High School Division (Grades 11 and 12)

The registration fee of Five Hundred Pesos shall be collected from each participant for the incidental and miscellaneous expenses. The deadline of registration is on Saturday, October 27, 2017.

The following are the registration procedures:

- a) Deposit the Five Hundred Pesos (Php500.00) at
Account Name : MTG Philippines
Name of Bank : Bank of the Philippine Islands (BPI) Zamboanga Branch
Account Number : 2111 – 0214 – 68
- b) Write the following details in the deposit slip: Complete Name, Grade Level, School Name
- c) Keep the photocopy of the deposit slip to be presented on the contest date;
- d) Send the original deposit slip to the respective MTG center coordinators for record purpose
- e) The participant in area with no MTG center coordinator must scan the deposit slip and send it to the correct email address as shown below while the original deposit slip must be sent through courier to the contact person whose name appears below:
