**SUBJ: INVITATION LETTER FOR 2018 MID EDUCATION SPECIALIST TRAINING
LEADERSHIP AND MANAGEMENT FOCUS ON 21ST CENTURY WORK ETHICS**

Warmest greetings from IMEI and IYF!

International Youth Fellowship, better known as **IYF**, was founded in 2001 with the motto **Challenge, Change, Cohesion** to lead the way in transformational leadership and character development education. The purpose of which is to revolutionize the idea of leadership by focusing on the importance of having a leader's heart as an educator and to be aware of relevant issues in the country which affect our student's education.

Through its interdependent division for educational services, the **International Mind Education Institute (IMEI)** in cooperation with the local offices of the Department of Education, IYF Philippines have implemented the Mind Education program across different places in the Philippines for the past two years where at least 44,000 teachers and educators have been in attendance in our joint events.

We will be holding "2018 International Mind Education Specialist Training" (SM Clark Cinema 2) on **February 23 to 25, 2018** with participants from the division of Angeles City. Kindly note that there is a minimal fee of three thousand pesos (Php3,000.00), inclusive of seat allotment plus textbook (Best seller Book "Who are you who is dragging me?"), guide book, T-shirt, lunch and international certificate. The minimal fee of Php3,000.00 would be fifty percent of the whole registration fee, while the other fifty percent will be shouldered by IMEI and IYF. Schedule of which is as follows:

February 23	Pre-registration (10:00 AM to 9:00 PM)
February 24	8:00 AM to 5:00 PM
February 25	8:00 AM to 5:00 PM

We are then requesting your good office to grace this international seminar through your support for a wide dissemination of invitation to teachers, principals and supervisors coming from your city to attend the said event.

Benefits of the event would be:

1. An opportunity to partake in any **IYF activities worldwide**, Like the **International Mind Education Specialist Training in Korea or in Japan**
2. An opportunity to have an **International Mind Educator License** once participated in **MEST KOREA**;
3. Strengthened leadership capabilities and change mindset to be future leaders of the next generation.
