Sir/Madam:

Greetings of Peace!

Every institution visions to provide the accurate education essential for the needs of every students. In nursery, kinder and prep, Brigance Testing is known as a widely used informal assessment tool for students attending for their preparatory school. Numerous institutions use this screening tool to identify incoming students who may be at risk for learning difficulties and who might benefit from intervention such as to determine the necessary instructional program that their children needs best. Likewise, the Brigance has the capability to indicate a child who may be above average and thus provide the support necessary for a more enriching learning experience. As such, we would like to introduce **Stalwart Psychological Services** as it can provide Brigance tools to your institution in a competitive price. Our team offers test materials that can be used in educational purposes.

And as another year comes, we have good news for you! Stalwart Psychological Services has Extended Sale plus Package deal **until January 31, 2019**. You can avail Brigance and save up to 50% discount from its original price plus if you will purchase a minimum of five (5) packages/kits, you can **less 1,000 pesos** to each package and if you want to purchase ten (10) packages/kits, you can **less 2,000 pesos** to each package plus the promo which is the 50% discount.

You may contact us: **(046) 476-9113 / 0945-549-2946** for any clarification regarding this matter.
