MS. LEILANI S CUNANAN, CESO IV
Division Superintendent
Department of Education, Angeles City
Brgy. Pulungbulu, Angeles City

Dear Maam Cunanan:

Greetings!

The ultimate goal of Angeles City Police Office is to initiate and participate in environmental protection projects such as river clean-up drive, information drive on responsible use of natural resources, hazard-free, and prevent environmental disaster in the future in cognizance of the Government Project Manila Bay Rehabilitation, which successfully started last January 27, 2019.

In this connection, we would like to invite your Office to join us and share your time in cleaning the dirty river of Sapang Balen on February 9, 2019 (Saturday) 6:00AM onwards in the spirit of volunteerism and camaraderie in making one of the rivers of Angeles City clean and free from waste pollution.

Likewise, all volunteer who will join this activity are requested to bring their own cleaning materials such as sacks, brooms, rakes and the like.

We believe that this activity is the best avenue for all to take part of their social responsibility and be an advocate of environment protection. Let's work hand in hand in making a better and clean place to live in.

Looking forward to your action and cooperation.

Respectfully yours,

NARVIN NUNAG MANGUNE
Police Senior Superintendent
Acting City Director
