DIVISION MEMORANDUM
NO. 267 S. 2015

“Preventing Dengue in Schools”

**To: Public School District Supervisors
All Head of Public Elementary School**

The Department of Education Region III in coordination with the Department of Health Region III campaigns against Dengue emphasizing the urgency of the anti-dengue drive through the 4s Strategy-Search and Destroy, Seek early consultation, Self-protective measures and Say “no” to indiscriminate fogging. It also reiterates and enforces to protect the school populace from this disease which is rampant during the rainy season, when mosquitoes (*aedes aegypti*) rapidly proliferate.

School officials are enjoined to disseminate information on the prevention and control of Dengue H-Fever in support of this campaign. Close coordination should be made with the Parents-Teachers Association (PTAs), Local Government Unit (LGUs) , Division Health and Nutrition Section and Municipal Health Officer (MHOs) on the following activities:

- a) Conduct information campaign against Dengue H- Fever
- b) Maintenance of environmental sanitation in schools and in the communities
- c) Referral of pupils/students/personnel with symptoms of Dengue H-Fever.

Immediate and widest dissemination of this Memorandum is desired.
