Fullness of life be with you!

The Alay Kapwa is an evangelization-resource mobilization-fund utilization program of the Catholic Bishop's Conference of the Philippines (CBCP) launched annually in all dioceses throughout the country. It is an opportunity for the people who have more to share their time, talent and treasures for the benefit of the people who have less. It is also the primary source of funds for the various social welfare programs of the Catholic Church.

In the Archdiocese of San Fernando, Alay Kapwa supports the different social welfare services implemented by the Social Action Center of Pampanga, Inc. (SACOP) and these are:

- a) Scholarship grants and educational privileges in college and vocational-technical courses for poor students;
- b) A medical clinic that gives access to quality health care services;
- c) Free corrective surgeries in partnership with Operation Smile and Cataract Missions and provision of medical equipment with Walking-Free Pampanga; and
- d) Immediate response in times of calamities through disaster monitoring and emergency relief assistance.

This year, we will be intensifying our resource mobilization campaign to include not just the parishes, business community and archdiocesan schools but also the different public and private schools in the province through our CAnS Project (Charity, Alms n Sharing) project. With your participation, we hope to ably respond and reach more of our poor students, *kaparokya* at *kabalen*.

We hope you could accommodate our request. May our dream of a socially responsible society attending to the needs of the people who have less be kindled in the hearts of our young and future leaders.

Thank you very much and God bless you always.

Very truly yours,

Rowena D. Binuya
