Leilani S. Cunanan, CESO VI
School Division Superintendent, DEPED
This City

Mam;

Our city is once more mobilizing sectors for massive voluntary action in support to the national cleaning and greening campaign to care for the environment. We are relentless in achieving our goal to institutionalize garbage reduction, recycling, composting, and waterways rehabilitation.

In the above regard, the Angeles City Local Government, through its City Environment and Natural Resources Office (CENRO), shall conduct a City-Wide Clean Up on **November 18, 2017**, dubbed as the "**4th Angeles City Malinis 365 Days.**"

Your partnership is never more essential than it is now to increase citizens' awareness and to inspire community participation in the movement to protect the environment. Your volunteers are key to completing the strength we need to achieve our goal.

Kindly note that a brief pre-activity program shall be held at 6:30 a.m. at the **Lazatin Bridge, Brgy. San Jose.**

And please have your volunteers to bring their own gear and tools to be used on the day of activity:

1. Boots
2. Gloves
3. Litter Sticks for picking up trash

In case you have some query about the activity, please feel free to contact our CENRO Officer, Mr. Francis G. Pangilinan, at 0915-300-1862 or thru its landline number (045) 624-7023.

Let us unite to protect and nurture our environment and natural resources. *Agyu Tamu!*

Thank you

Very truly yours,

EDGARDO D. PAMINTUAN
City Mayor
