Sir:

Greetings in God's merciful name.

The social accountability to the society and community of learners, the professional responsibility of School Heads/Principals as instructional leaders and advocates of educational reforms and the challenges of the K-12 curriculum delineate the goals of the conduct of the Bi-Annual Public Secondary School Principal Association (PSSPA III Inc.) Convention to be held on July 5-7, 2017 at La Vista Resort, Balanga City with the theme: "PSSPANIANS TRANSFORMATIONAL LEADERS".

This year's PSSPA III Convention reflects the commitment and engagement of the School Heads/Principals in restructuring the Basic Education to produce 21st Century Learners who are holistically developed and functionally literate in response to the needs and demands of the global market.

The objectives embedded in their convention consist of the following: a. to hone the School Heads' leadership in the readiness of the implementation of the JHS and SHS programs b. strengthen the Principals' transformational skills.

In this light, we humbly request for your significant presence to be our Guest/Resource Speaker in the forthcoming PSSPA III Convention to share your expertise about RA 9155: Principals' Empowerment and RAT Implementation specifically the PSDS Workloads. Because we believe that every School Head can draw inspiration from your excellent leadership and governance, and can acquire meaningful insights and valuable experience in the delivery of service in the field of education.

It will be our privilege and honor to have your presence. We are anticipating for the confirmation of your attendance.

Thank you and more power.

Very truly yours,

ROSAURO A. VILLANUEVA, Ph.D.
President, PSSPA III Inc.
