DIVISION ADVISORY
No. 14, s. 2017

To: Heads of Public Elementary and Secondary Schools

From: OIC - Office of the Schools Division Superintendent

Subject: The Health Effects of Gadgets Radiation

Date: January 18, 2017

RELEASED

JAN 19 2017

By 
DepED Angeles City
Division of City Schools

Attached is the letter of Mr. Norman C. Bognot, Health Lecturer of My Exponent International Company requesting this Office to share with principals and teachers some of the latest scientific information on "*The Health Effects of Gadgets Radiation*" to our body with the purpose of creating awareness and early prevention of the serious and potentially-fatal health problems related to the continuous usage of computers, cell phones and other gadgets.

Principals are requested to accommodate Mr. Bognot provided that the "*No disruption of classes policy*" of the Department is adhered to.

FROM: My Exponent International Company

RE: Health Awareness Presentation

Dear Madam Cunanan:

Greetings!

Our company, My Exponent International Company (Meico), was formed with the mission of promoting quality and innovative health products and to create health awareness to the Filipino people, while the undersigned – Mr. Norman Bognot – is a *Health Lecturer* for the past 22 years, representing various companies (including Meico) and has covered six regions (from CAR to Region VIII).

As such, we would like to ask permission from your good office to please allow us to share some of the latest scientific information on "The Health Effects of Gadgets Radiation", to all teachers within your jurisdiction.

During our presentation, we will be discussing some of the health problems that are directly associated with continuous usage of computers, cell phones and other gadgets, with the purpose of creating awareness to the audience, that could possibly result to early prevention of these serious and potentially-fatal health problems. And through actual demonstration, we will show the difference of putting our gadgets near and far from our body. We can do our presentation in 20-25 minutes.

Thank you very much for giving our letter your utmost attention.

Very truly yours,

NORMAN C. BOGNOT
