Dear Ma'am:

Greetings!

The International School for Culinary Arts and Hotel Management (ISCAHM) Pampanga, a world class training center owned, developed and managed by top international hotel professionals, is offering the Senior High School Program for incoming Grades 11 and 12 students this S.Y. 2017-2018. Specifically, we are offering Cookery NC II and Bread and Pastry Production NC II under the Technical Vocational Livelihood Track. Together, we bring to the classroom the expertise and business savvy that will provide students with comprehensive theoretical knowledge and practical hands-on experience.

In this regard, we humbly ask your good office to assist us in disseminating the information about our Open House event on March 18, Saturday from 9am to 12noon. It will be more beneficial for us if you could announce our event to all the private schools that offer junior high school since this is intended for the incoming senior high school students.

I attached in this letter our invitation for the details of the event. Your assistance on this matter will be highly appreciated.

Thank you very much. We look forward to your favorable response.

Respectfully yours,

MS. EVELYN V. TINIO
