ANIRAYA 2024: Multi-Media Verse

Please be informed of the attached invitation letter from the EMC,
Chairperson/Head Organizer, A Day with the Foxes 2024 about the Multimedia
Arts Festival dubbed as "**ANIRAYA 2024: Multi-Media Verse**".

For information and guidance.

SGOD/CES/February 27, 2024

31 January 2024

Dear Ma'am / Sir,

Greetings in His Name.

The School of Computing is one with the university's mission of offering accessible quality education that transforms students into persons of conscience, competence, and compassion, all for the glory of God. As a testament to this mission, the School of Computing will again open its doors to aspiring college students to experience a day filled with fun and learning through an event entitled "**A Day with the Foxes 2024**".

Coinciding with this event, the yearly celebration of the Multimedia Arts Festival will also be held. This year, the festival is dubbed: "**ANIRAYA 2024: Multimedia-Verse**". It will highlight the School of Computing's various programs with the help of college-based organizations. These organizations include League of Outstanding Programmers (LOOP) of the Computer Science students, Multimedia Aficionados for Interested Artists (MAFIA) of the Entertainment and Multimedia Computing students, Cybersecurity Intelligence Alliance (CIA) of the Cybersecurity and Network Administration students, (Code Geeks) Web Development, and Access Point (Publication).

The two-day event will be held on **March 14-15, 2024**, and is spearheaded by the School of Computing. Students from neighboring senior high schools are invited to visit Holy Angel University. They will be immersed in activities that will let them experience what it feels like to be a School of Computing (SOC) student. This activity "**A Day in the life of an Angelite Fox**" is student centered and it gives an insight of what awaits them if they decide to make their best moments with Holy Angel University.

With this objective we have shared with you, we would like to invite your prestigious school and your students (preferably graduating Senior High School status) to attend the above-mentioned event. The event will run for two (2) days, divided into two (2) sessions and you have the option to choose which day and session you wish your students to attend. Below are the details of the event.

Details of the event:

A. Number of Students from Senior High School: 50 students coming from Grade 12 including the teacher-in-charge per session

The number of participants coming from different schools whom we will allow in every session is 50, the session will last for approximately three (3) hours.

B. Date and Time: March 14-15 (Thursday – Friday)

The event is set for two days, and each day is divided into two (2) sessions, one in the morning from 8:00 AM to 11:00 AM and another one in the afternoon from 1:00 PM to 4:00 PM. Additionally, the highlight of the **ANIRAYA** will be on the 2nd day (March 15). Kindly fill in the attached excel spreadsheet to choose from among the schedules available. Please note that the schedules are on a reservation basis. The ones who have reserved first will be given the slots. Kindly reserve here: <https://forms.office.com/r/FmFCvTCd0S>

C. HAU Bus will be provided. Transportation will be available to pick and drop the students from your institution to ensure safety going to the university and going back to your institution as part of the HAU-SOC experience.

D. Venues on Campus: SJH Academic Hall, and SJH 5th, 6th and 7th floor to tour the facilities and visit the exhibits. SJH academic hall has a capacity of around 300 students. For Organization booths and SOC experience tours in the SJH 5th, 6th and 7th floor, students will be guided by our ushers.

We believe that an event of this nature not only enhances our students' educational experience, but also strengthens the bond between our institutions. By combining our efforts, we can amplify the impact of this event and encourage a larger number of students to participate and take advantage of this exceptional opportunity. We believe that by collaborating, we can create a truly memorable and impactful event that will leave a lasting impression on all participants.

We hope to see your students in campus here are Holy Angel University. Your participation is very much awaited. Please be assured that we will do our best to guarantee the safe and smooth conduct of the participants.

Thank you and God bless!

Regards,

Jeanky Salenga-Mendez

LETTER OF INVITATION AND WAIVER

Dear Ma'am/Sir,

Greetings in His Name.

The School of Computing opens its doors once again to students who wish to pursue a career in Computing by giving them a glimpse of the SOC experience. Our computing programs stand out due to their best moments online and onsite. The SOC "A Day with Foxes" offers exhibitions and interaction with students and faculty to let potential enrollees have the vibe that the SOC specializes in, which is Computing with a heart.

In line with that, we would like to inform you that your child/ward/student is invited for the said event of the School of Computing. Rest assured, that this event is voluntary and health protocols shall be observed to ensure your child/ward/student's safety during their stay in the campus. And a waiver is provided on the bottom part of this letter.

May this merit your kind consideration and support for this matter. Thank you and God bless!

All the best,

Jeanky Salenga-Mendez
EMC, Chairperson - Head Organizer

WAIVER

I allow my child/ward/student _____ to attend the event "A Day with the Foxes" with the assurances of safety protocols implemented for the safety of the participants. It is also acknowledged that the practice of safety protocols is a responsibility of both organizers and participants and should the violation of protocols be on the part of the participant, it is understood that any result of it shall be beyond the control and jurisdiction of the organizers.
