### OFFICE OF THE DEAN

March 8, 2024

**ENGR. EDGARD C. DOMINGO, PhD, CESO V,**  
Schools Division Superintendent  
Division of Angeles City

Dear Dr. Domingo,

Greetings from the Angeles University Foundation!

As part of our effort to provide opportunities for professional growth and development of our teachers, we are delighted to share with you this invitation from the Gokongwei Brothers Foundation (GBF).

The GBF is currently accepting applications for its **TeachSTEM Scholarship Program**, which aims to support teachers' education and training, particularly in STEM fields and other related areas (MAED EM, SPED). This year, the foundation has allocated 330 scholarship slots and is keen to receive at least **100 applications** from AUF, one of the partners of GBF.

We would appreciate it if those interested in pursuing their Master's programs could attend the ONLINE orientation intended for:

- Graduate students enrolled in Master of Arts/Science in Education majoring in STEM, Educational Management, Special Education, and related courses;
- Faculty members engaged in K-12 or undergraduate programs who are contemplating or currently pursuing their master's degree;

The orientation sessions are scheduled for the following dates:

- March 13, 2024, from 10:30 AM to 12:00 PM
- March 20, 2024, from 10:30 AM to 12:00 PM

We kindly request your endorsement of this invitation to the DepEd Angeles faculty to attend the orientation. DepEd Angeles City may inform us of its preferred orientation date for interested applicants so we can with GBF for the Zoom link.

We thank you in advance for your cooperation and support in this important initiative. Should you have any inquiries or require further assistance, please do not hesitate to contact us.

Warm regards,
