One of the environmental laws it implements is Republic Act No. 9512, otherwise known as the “National Environmental Awareness and Education Act of 2008” which directs it “...to lead in the implementation of public education and awareness programs on environmental protection and conservation through collaborative interagency and multi-sectoral effort at all levels.”

In advancing its aforesaid mandate, this Office will be conducting an activity titled “**2nd Batch of the Online Orientation for Teachers on the National Search for Sustainable and Eco-friendly Schools**” on **09 August 2024 (Friday)** at **9:00 AM** via **Microsoft Teams** applications. The activity seeks to encourage educational institutions adopting and undertaking green initiatives to participate in the national search that highlights the environmental programs initiated and integrated in their operations, curriculum, instruction, research, extension and administration.

In view of the above, this Office is cordially inviting **two (2) teachers/representatives** per school within your jurisdiction to take part in the online orientation and be informed of the concept, objectives, mechanics and prizes of the national search.
