SUBJECT: Cultural Mapping of Clark Freeport Zone

Dear Mr. Domingo:

Mabuhay from Clark Development Corporation (CDC)!

In line with CDC's commitment to conserving the rich cultural heritage of Clark, we are pleased to inform you that we will be conducting the Cultural Mapping of the Freeport Zone this year. This initiative is part of our Arts, Culture, and Heritage Tourism Program, which aims to highlight the historical and cultural significance of Clark through flagship events, museum exhibitions, public art installations, historical research, and strategic partnerships, among others.

In partnership with the National Commission for Culture and the Arts (NCCA), the **Cultural Mapping of Clark Freeport Zone** is a six-month project that will culminate in the development and publication of this area's Local Culture Profile. A five-day training workshop will be conducted for identified mappers, which will be followed by desk research, interviews, site visits, and validation meetings to document the tangible and intangible cultural and heritage properties located within the Freeport Zone.

To ensure that this process is inclusive, participatory, and stakeholder-driven, we are opening the registration of mappers to cities and municipalities contiguous to Clark. We believe that this project will generate narratives that resonate not only with those in Clark but also with individuals and institutions beyond its borders – its partners, neighbors, workers, and visitors, all of whom contribute to its development.

As such, we are pleased to extend an invitation to **Schools Division Office – Angeles City** to join us in championing the cultural heritage of Clark Freeport Zone. This project is open to students, faculty, and non-teaching staff. Prospective mappers must commit to attend the five-day workshop, participate in site visits and interviews, and submit their research documentation on time.

We would appreciate receiving your feedback by **15 August 2025 (Friday)**. Should you have any questions on the above, please do not hesitate to reach out to Jada San Andres, Tourism Officer III, at jada.jada.SanAndres@clark.com.ph, Tourism@clark.com.ph, or (045) 599-2854.

Thank you very much for your continued support.

Very truly yours,

ATTY. AGNES VST DEVANADERA
