**INVITATION TO PARTICIPATE IN THE ANNUAL REGIONAL MOBILE SCIENCE CENTRUM
(RMSC)**

The Department of Science and Technology – Provincial Science and Technology Office (DOST-PSTO) Pampanga will implement the Annual Regional Mobile Science Centrum (RMSC), which supports STEM education through 22 interactive science-based exhibits designed to spark curiosity and promote experiential learning.

This event seeks to bring science closer to the youth and strengthen their appreciation for science, technology, and innovation (STI). Fourteen (14) school slots have been reserved for the Division of Angeles City, with each slot accommodating 40 students. The activity is scheduled on August 27–28, 2025.

For your reference, please see the attached letter of invitation from DOST-PSTO dated August 14, 2025.

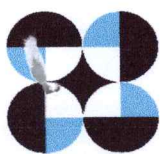

For inquiries, please contact:
Engr. Jayson Sampang

Education Program Supervisor - Science
DepEd SDO Angeles City

Dear Engr. Domingo:

Warm greetings from the Department of Science and Technology – Provincial Science and Technology Office (DOST-PSTO) Pampanga!

We are pleased to inform you of the continuing implementation of the **Annual Regional Mobile Science Centrum (RMSC)**. The RMSC supports STEM education through 22 interactive, science-based exhibits designed to spark curiosity and promote experiential learning.

In partnership with the **Provincial Government of Pampanga** and **Vista Mall Pampanga**, we are organizing this year's month-long exhibition in the province this August 2025. This event aims to bring science closer to the youth and strengthen their appreciation for science, technology, and innovation (STI).

In this regard, we may request your good office the issuance an official communication or memorandum to both public and private schools within your jurisdiction, enjoining their participation in this valuable learning opportunity. We have reserved **14 school slots or batches**, each accommodating **40 students**, scheduled on **August 27-28, 2025**. We believe that your continued support will greatly contribute to the success of this initiative and to the advancement of STEM education in the province.

To facilitate coordination, our staff, Engr. Jayson Sampang, will communicate with your office and may be reached at 0967-240-3419 or via email at pstopampanga@ro3.dost.gov.ph.

We sincerely appreciate your support and look forward to another fruitful and meaningful collaboration with you.

Very truly yours,

MARY MICHELLE M. QUIAMBAO
Provincial Science and Technology Director
