Angeles City

RE: Letter for Partnership

Holy Angel University

Dear Engr. Domingo,

Greetings in the name of Angelite peace!

We are respectfully writing to inform your good office about our upcoming virtual outreach activity entitled "*Ley Asks*." This activity is organized as part of our Outreach 2026. It is designed to provide incoming and current senior high school students with guidance and clarity regarding career paths, college life, and academic preparation.

The primary objective of *Ley Asks* is to help students make informed decisions about their future by engaging them in structured career counseling talks, interactive discussions, guided reflection activities, and an open forum with a career professional. Through this virtual activity, participants are expected to gain practical insights into various courses, career demands, and real-life college experiences, ultimately increasing their preparedness and confidence as they transition to higher education.

In line with this, we kindly seek the assistance and support of your office in coordinating with junior high school students and senior high school students from your school who may benefit from this activity and, if possible, encouraging their participation. At least 100 to 250 students overall can be accommodated by the virtual event. Your guidance and endorsement would greatly contribute to the success of this initiative and ensure that the objectives of the program are fully achieved.
