Dear Engr. Domingo,

Warm greetings!

Inbox Stores, in partnership with Apple Education, holds the **EduFusion Summit 2026** that aims to bring together school heads and education leaders for a focused, in-person conversation on guiding schools through the AI shift with clarity, intention, and a firm commitment to human-first education.

This one-day leadership summit is designed to create space for reflection, dialogue, and shared understanding. Rather than centering on tools or trends, EduFusion focuses on leadership decisions—how schools can move forward thoughtfully, protect what matters most, and design learning environments that remain meaningful, creative, and values-driven in an AI-shaped world.
