**35th COMMEMORATION OF THE MT. PINATUBO ERUPTION INTERNATIONAL
CONFERENCE**

In celebration of the **35th Commemoration of the Mt. Pinatubo Eruption**, the Center for Kapampangan Studies (CKS) of Holy Angel University, in partnership with DOST-Philippine Institute of Volcanology and Seismology (DOST-PHIVOLCS), shall host an **International Conference** on **June 9 and 11, 2026**, at **Holy Angel University, Angeles City, Philippines**.

The conference aims to revisit and critically examine the events before, during, and after the 1991 Mt. Pinatubo eruption, one of the most significant volcanic events of the 20th century. It will bring together scholars, scientists, policymakers, and practitioners to reflect on lessons learned, assess long-term impacts, and discuss preparedness and response strategies should a similar event occur in the future. This conference also seeks to foster interdisciplinary dialogue and generate insights that can inform both scholarship and policy in disaster preparedness and resilience.

Participants in this activity are Public School Head Teachers, both in the Elementary and Secondary, and Education Program Supervisors in Science, MAPEH, Araling Panlipunan, and Values Education.

Attached to this Advisory is the **invitation letter of Holy Angel University** dated **May 26, 2026**, for information and guidance.

Engr. Edgard C. Domingo
Superintendent Angeles Division
Department of Education ROIII

Dear **Engr. Domingo**:

In commemoration of the **35th Commemoration of the Mt. Pinatubo eruption**, the Center for Kapampangan Studies (CKS) of Holy Angel University, in partnership with DOST-Philippine Institute of Volcanology and Seismology (DOST-PHIVOLCS), will host an **International Conference on June 9 and 11, 2026 at Holy Angel University, Angeles City, Philippines.**

The conference aims to revisit and critically examine the events before, during, and after the 1991 Mt. Pinatubo eruption, one of the most significant volcanic events of the 20th century. It will bring together scholars, scientists, policymakers, and practitioners to reflect on lessons learned, assess long-term impacts, and discuss preparedness and response strategies should a similar event occur in the future. This conference also seeks to foster interdisciplinary dialogue and generate insights that can inform both scholarship and policy in disaster preparedness and resilience.

In this regard, we are requesting your endorsement of the conference to teachers. The conference is free of charge.

Thank you for your support.

ROBERT TANTINGCO
Director
Center for Kapampangan Studies
