3. Relative to this, the POPCOM Region III suggests the following activities:
 - a. Draft of press releases highlighting the importance of breastfeeding and family planning among families towards attaining the Sustainable Development Goals (SDGs).
 - b. Conduct an activity highlighting the importance of Responsible Parenthood and Reproductive Health emphasizing the importance of breastfeeding and family planning in achieving well-planned, happy, healthy and prosperous families.
 - c. Hang streamers with the logo and themes. (Please see attached copy)
