Ms. LEILANI S. CUNANAN, CESO IV
OIC, School Division Superintendent
Angeles City

Dear Ms. Cunanan,

Every third Saturday of September each year is the celebration of International Coastal Clean-Up Day in observance of the Global Coastal Clean-Up Celebrations. Our city's participation is one door-way to mobilizing massive voluntary action to support and complement the country's clean-up and environmental greening activities wherein garbage reduction, recycling and composting and the rehabilitation of waterways will be institutionalized by various sectors of society.

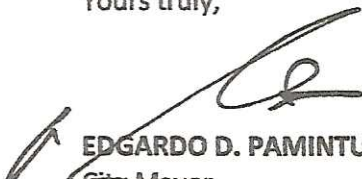

In this regard, the Angeles City Government thru it City Environmental and Natural Resources Office (CENRO) will be conducting a **City-wide Clean Up Drive** dubbed as "**ANGELES CITY MALINIS 365 DAYS**" on **September 17, 2016**. It intends to increase the citizen's awareness and bridge all sectors in protecting our environment. As part of your corporate social responsibility, we would like to invite your organization to participate and support this endeavor by sending volunteers.

A brief program will be held at **Museo Ning Angeles in front of Holy Rosary Parish starting 6:30 am**. In case you have some query about the activity, please feel free to contact our CENRO officer, Ms. Ederlinda C. Valencia at 0916-260-4409.

Let us be united in protecting or water resources. Agyu Tamu!

Thank you and regards.

Yours truly,

EDGARDO D. PAMINTUAN
City Mayor
