Through: Dr. Nicolas Capulong – Department of Education, Region 3

Re: Whisper TEAM Adolescent Health Caravan

Dear Dr. Garma;

Greetings! Maternal Mortality statistics and the rising teenage pregnancies in our country suggests that there is more to be done to help address help address this pressing issue.

It is for this reason that Redscope Communications along with our distinguished Technical Working Group led by the undersigned partnered with Procter & Gamble Philippines to launch the WHISPER T.E.A.M. ADOLESCENT SCHOOL CARAVAN, an Adolescent Health campaign responsive to our new administration's battle cry HEALTH FOR ALL TOWARDS ALL FOR HEALTH.

Whisper T.E.A.M -Teenagers Engaging Actively with Moms Event

-is a special school based event where Moms and girls (grade 5-8) are invited for an hour of fun, learning and connection. With no less than experts from the field of OB-GYN as speakers, the team will be visiting the selected schools to usher the children in understanding puberty & the changes it brings, distinguish myths from scientific facts, and most importantly establish or reconnect bond between the girls and their Moms.

All the campaign materials including the "iBulong mo kay Mama" Video which highlights the importance of connecting with Moms during the confusing puberty stage were carefully prepared by no less than the undersigned together with Dr. Fely Velandria RND MSc and Dr. April Rous Punzalan OB GYN – GAD Chairman & OB Dept Chairman of the Quirino Memorial Medical Center.

The Whisper TEAM Caravan will be visiting 486 selected public elementary & secondary schools from Region 3, specifically from the Divisions of Meycauyan & Bulacan, Mabalacat, Angeles & San Fernando.

- Target School Caravan Date : October – December 2016
- Target Schools : 486 schools as per attached
- Target Audience : Grade 5 & 6, Grade 7 & 8, Moms & Teachers
- Duration : 1 day per school. 1 Hour per Event

COMMUNICATIONS INC.

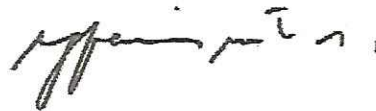

In this regard, we would like to seek your approval and assistance for the successful implementation of the aforementioned campaign in our target division. Please be assured that we will be coordinating closely with the School Division Team as well as the School Principals to ensure that contact period with the school children and their mothers are maximized. May we also invite you to join us in one of our events to give inputs on how we can further improve the program.

Thank you and we are looking forward to your usual brand of support for this kind of endeavor for our school children.

Sincerely, your Partner in Health & Social Communications:

Sarah C. Coe  
President  
Redscope Communications Inc.

Hon. Ethelyn P. Nieto MD MPH
