- The development of the said Interactive Video Lesson Exemplar begins on July, 2017 and to be submitted to the concerned Education Program Supervisor on the first week of November, 2017. Outstanding Interactive Video Lesson Exemplars per Subject Area will be awarded during the Education Week Celebration on December, 2017.
- The Schools' Subject Department Heads/Coordinators in coordination with the concerned Education Program Supervisor may decide on a particular Learning Competency suited for an interactive video lesson. For the format and technical development, the said Subject Coordinators may refer and work with their respective school ICT Coordinators who were trained/oriented on the development of video lessons by Mr. Noel Reganit, LRMDS PDO last school year.
- All Interactive Video Lessons will be compiled and uploaded in the Division LRMDS portal.
- For your information, guidance and compliance.
