## **GUIDELINES ON THE PROVISION OF SUPPLEMENTARY LEARNING RESOURCES FOR PUBLIC SCHOOL LIBRARIES AND LIBRARY HUBS**

### **I. Rationale**

The school library and library hub are integral components of the school environment in the implementation of the Enhanced Basic Education Program or K to 12 Program under the Republic Act (R.A.) No. 10533,<sup>1</sup> and aligned with applicable DepEd issuances including DepEd Order (D.O.) Nos. 56, s. 2011;<sup>2</sup> 64, s. 2009;<sup>3</sup> and 75, s. 2008,<sup>4</sup> as well as DECS Order No. 6, s. 1998.<sup>5</sup>

They serve to a) support the K to 12 Curriculum and its literacy and numeracy programs through the equitable provision of quality and accessible supplementary learning resources (SLRs) to all public school libraries and library hubs, and b) advocate a culture of reading, research, and innovation.

Further, to continuously improve and realize their functions and services, school libraries and library hubs should have:

1. extensive and up-to-date collection,
2. professional and competent staff,
3. relevant and responsive policies,
4. adequate reading and learning spaces,
5. responsive Information and Communication Technology (ICT) reading and learning tools and equipment
6. compliance with DepEd library programs and information services.

Review of policies, including DECS Order 25, s. 1999<sup>6</sup> and DepEd Order Nos. 38, s. 2007;<sup>7</sup> 64, s. 2010;<sup>8</sup> and 44, s. 2013,<sup>9</sup> relative to the moratorium on procurement of supplementary and reference materials was undertaken to address related issues and concerns.

The data gathered during the monitoring and evaluation made in 2016 and 2018 showed that very few public school libraries and library hubs were functional and most of the library collections were outdated. Since the titles in library collections in public schools and library hubs nationwide are insufficient considering the growing and evolving needs

<sup>1</sup> Enhanced Basic Education Act of 2013.

<sup>2</sup> Standards for Philippine Libraries.

<sup>3</sup> Institutionalization of DepEd Library Hub Project in All Regions and Schools Divisions Nationwide.

<sup>4</sup> Institutionalization of the Maintenance and Operation of Library Hubs.

<sup>5</sup> Policies and Programs for School Library Development.

<sup>6</sup> Procurement of Instructional Materials.

<sup>7</sup> Reiteration of the Moratorium on the Procurement of Supplementary and Reference Materials.

<sup>8</sup> Corrigendum to DepEd Order No. 119, s. 2009 (Additional Guidelines on the List of Approved Supplementary Reading and Reference Materials).

<sup>9</sup> Moratorium on the Procurement of Supplementary Reading Reference, and Other Instructional Materials (IMs).

of Filipino learners, it is imperative to expand the library collection and procure new titles for the school libraries and library hubs.

Thus, these guidelines are issued to set the standards for the provision of library collections for public school libraries and library hubs.

## **II. Scope**

These guidelines cover the provision process of SLRs which includes the identification of SLR needs, and the procurement and distribution of SLRs. In ensuring the provision of SLRs, the process starts from the planning phase, then the bidding phase — which must be consistent with R.A. No. 9184<sup>10</sup>, its Revised Implementing Rules and Regulations (IRR), and relevant issuances of the Government Procurement Policy Board (GPPB) – up to supply and delivery.

Provision of SLRs through DepEd procurement utilizing DepEd funds or from other funding sources requiring DepEd recommendation shall likewise be based on these guidelines.

Donation of SLRs shall also undergo an evaluation process as stipulated in this issuance, and other government rules and regulations.

## **III. Definition of Terms**

For these guidelines, the following terms shall have their respective meanings, *viz*:

- 1. Allocation List** is the list of SLRs to be procured by the Regional Office (RO), if applicable, including its specifications and corresponding quantities for distribution to the targeted public school libraries and library hubs.
- 2. Book Fair** is an event, whether online, physical, or a combination of both, featuring SLRs that are being sold by a group of publishers or suppliers. It may be organized by the DepEd and/or the National Book Development Board (NBDB), by a particular SDO/RO or a cluster thereof, or by other entities to provide a venue where the various SLRs are showcased and to be examined by various school/SDO representatives. The book fair shall in essence constitute, among other activities, the market study and scoping usually undertaken by end-users (EU) or implementing units (IU) as a prerequisite to procurement. In lieu of a book fair, the DepEd CO, RO, and SDO may organize a book review display.
- 3. Book Review Display (BRD)** is a display of SLRs for physical assessment as to its description, age appropriateness, and content that serves as a guide for the identification of titles by a School or Division SLR Committee.

<sup>10</sup> Government Procurement Reform Act.

4. **Learning Corner** is primarily an extension service of a school library. It is an area or space in the Kinder to Grade 3 public school classrooms where SLRs and other educational materials are made available for the learners to use and play with. Learning corners for other grade areas may likewise be established, subject to space availability.
5. **Learning Resources (LRs)**<sup>11</sup> are any text-based (print or non-print) or non-text-based materials aligned with the K to 12 curriculum and used as primary bases or supplements to teaching and learning processes.
6. **Library Hub** is a reservoir of SLRs located within a schools division which aims to provide public elementary and secondary schools with SLRs. The SLRs are arranged in plastic bins and sorted by learning area and grade level.
7. **Market Scoping** includes activities that may include physical or online book fairs, and/or book review displays, browsing available book catalogues, and visiting local bookstores to get information on available SLRs.
8. **Off-the-Shelf Form** is the physical appearance of SLRs that are existing in the education field or are commercially available and may be reprinted as needed.
9. **Priority List** is the list indicating the titles, quantities, authors, International Standard Book Number (ISBN), and other details of the SLRs to be completed after the identification stage. Said list shall be submitted to the Division SLR Management Team for verification of the titles included in the list and their corresponding cost. This document shall be consolidated into an Allocation List for purposes of procurement and distribution.
10. **Public/Competitive Bidding**, as defined under section 5 (h) of the Revised IRR of R.A. No. 9184, otherwise known as the Government Procurement Reform Act, refers to a method of procurement which is open to participation by any interested party and which consists of the following processes: advertisement, pre-bid conference, eligibility screening of prospective bidders, receipt and opening of bids, evaluation of bids, post-qualification, and award of contract.
11. **Quantity Limits** refers to the maximum number of SLRs to be procured for each school library or library hub.

They shall adhere to the parameters that shall be set for the identification through the guidelines to be issued by the OUCT.

OUCT shall endeavor to review and issue updated guidelines which include the scoping and evaluation tools that are consistent with the thrust and direction of the Department.

The following table shows the composition of the SLR Committee for the school library and library hub:

Division Librarian/ Librarian In-Charge</li> <li>5. Division personnel who are Learning Resource Evaluators <i>(if available at most five)</i></li> </ol>

The School SLR Committee shall have the primary responsibility to identify the titles of SLRs for procurement. The Division SLR Committee, on the other hand, shall have the primary responsibility to identify the titles of SLRs for the library hub. Identification of the SLRs shall be on the basis of actual need, priorities, and suitability to the school library/library hub.

The members of the SLR Committees shall also evaluate SLRs during the conduct of market scoping activities. They shall use the DepEd Evaluation Rating Sheet for Supplementary Learning Resources (SLRs) to assess the suitability of SLRs for school libraries and library hubs and to ensure that

the SLRs are free of any kind of errors. The rating sheet includes criteria on the following: format, content, presentation and organization, and accuracy and recency of information. To maintain objectivity and fairness in the evaluation process, the SLR committees shall be oriented on the indicators.

In determining the actual need, the current inventory of school libraries and library hubs shall be considered. Moreover, SLRs to be chosen must support programs, projects, and the directives of the DepEd and must be suitable for use in public schools. Thus, for schools, other than in the case of integrated schools, selected SLRs shall be appropriate to their school category (i.e., elementary or secondary). During the identification, the budget ceiling allocated to the school library and library hub shall be considered.

The following shall also be consulted on the SLRs needed to be procured:

- a. Faculty President or a representative designated by the Faculty Club
- b. Supreme Student Government President or representative
- c. Representative of the Parents, Teachers, and Community Association

In the creation of the SLR Committee, it shall be noted the Department of Budget and Management (DBM) Budget Circular (BC) 2007-1, Sections 4.5 and 4.6 which states that:

*Section 4.5 of DBM BC 2007-1* "Honoraria shall not be granted to the designated lecturers, resource persons and facilitators within their respective sponsoring agencies as such services are deemed part of the duties and responsibilities of their appointive positions to disseminate information, to clarify issues and concerns and to interact with clients and/or implementers of agency mandates."

*Section 4.6* "Agency personnel who are in charge of the conduct of training and similar programs and activities by virtue of their positions in the sponsoring agency, are not entitled to honoraria when they act as lecturers, resource persons, coordinators, or facilitators in in-house training and similar programs and activities."

- **Orientation of the Division SLR Management Team and SLR Committees**

The BLR shall conduct an activity to orient and facilitate the capacitation of the SLR Committees and Division SLR Management Team on the details of the identification and verification process for SLRs. Procurement

Management Service (ProcMS) may provide related technical assistance on the procurement aspect as may be needed.

- **Conduct of Market Scoping**

Market scoping activities shall be done by the SLR Committees for the school libraries and the library hubs in accordance with timelines set by the OUCT. These activities may include the following: acquiring information on available SLRs such as general references, learning area references, and fiction books/creative works by participating in the market survey, physical or online book fairs, and/or book review display, browsing available book catalogues, visiting local bookstores, NBDB list, previously issued DepEd list<sup>13</sup> and the like.

**Criteria in Identifying Titles.** In identifying the titles, criteria such as but not limited to, readability, age appropriateness, and physical attributes shall be considered. The DepEd Central Office through OUCT shall issue the guidelines for this purpose.

Depending on the resource needs and to capture the rich culture of the country, SLRs authored/published by Filipinos may be **preferred** as an option in the acquisition. A premium may be placed also on award winning and short-listed SLRs by duly recognized award-giving bodies in the Philippines and abroad as well as SLRs solely authored by National Artists, National Social Scientists, National Scientists, and Gawad sa Manlilikha ng Bayan (GAMABA) which are recognized by pertinent government agencies (e.g., National Commission for Culture and the Arts (NCCA), Department of Science and Technology (DOST), and other recognized award-giving bodies that shall be prescribed in an appropriate issuance to be issued by the OUCT). This, however, does not prevent the SLR committees from selecting foreign authored or published materials that conform to specific needs.

- **Preparation and Submission of Priority List**

To determine the priority list, the SLR Committees shall undertake market scoping activities as provided by these guidelines. After the committee has completed its identification process of SLRs, it shall prepare and submit the priority list (see **Annex 7** for the template) specifically indicating details of the SLRs identified. Only SLRs that passed the evaluation shall be included in the Priority List.<sup>14</sup>

---

<sup>13</sup> Including the list provided under DepEd Order No. 35, s. 2019, provided, that the Approved Budget for the Contract (ABC) for procurement shall be based on a current market study.

<sup>14</sup> During the evaluation process, a Pass-Fail Method was used so if an SLR fails in any of the criteria indicated in the evaluation tool, the SLR is considered failed.

A pre-priority list shall be prepared should the personnel conducting market scoping activity determine the need to further evaluate SLRs due to the following:

- a. The SLRs compose of a series of volumes.
- b. The SLRs contain highly technical information or content regarding the Philippines-its history, people, territory, customs, and traditions which the personnel conducting the scoping activity needs to verify or is not familiar with.

• **Validation and Consolidation of the Submitted Priority Lists by the Division SLR Management Team**

Upon receipt of the priority list from the School and Division SLR Committees, the Division SLR Management Team shall validate its compliance with the identification guidelines. Validating the priority lists shall include the following:

- i. whether the SLR categories and/or titles support the priority programs and projects of DepEd;
- ii. whether the titles are appropriate for the school or preferred grade level;
- iii. whether the quantities comply with the applicable limits; and
- iv. whether the total cost in the priority list is within the budget limit of the particular school or library hub.

A copy of the duly accomplished scoping and evaluation tools shall also be submitted by the SLR committees for counter-checking purposes.

• **Approval of the Consolidated Priority Lists by the Schools Division Superintendent (SDS)**

The consolidated Priority Lists shall be submitted to the SDS as the chairperson of the Division SLR Management Team for approval upon recommendation of the Vice-Chairperson, and checked then verified by the members of the management team.

The SDS shall be given ten (10) days from receipt of the consolidated priority lists to approve the same. Failure on the part of the SDS to act on the same within the prescribed timeline shall be deemed as an approval thereof. The list shall be forwarded to the designated procurement unit/BAC secretariat for the preparation of the bidding documents and eventual procurement.

- **Submission by the SLR Management Team of the Consolidated Priority Lists for Library Hubs and supporting documents to the Regional Office through the Bids and Awards Committee**

The approved consolidated priority lists for library hubs and its supporting documents which includes the Allocation List and Summary of SLRs to be Procured and Budget Estimates (see **Annex 8 and 9**) shall be submitted to the RO as the procuring entity, through the Bids and Awards Committee, copy furnished the Regional Director as the Head of Procuring Entity. The BAC with its Secretariat shall prepare the bidding documents and initiate the procurement activities. The total quantities to be procured per title shall be the aggregation as indicated in the Allocation List.

- **Submission by the SLR Management Team of the Consolidated Priority Lists for School Libraries and supporting documents to the Division Office through the Bids and Awards Committee**

The approved consolidated priority lists for school libraries and its supporting documents which includes the Allocation List and Summary of SLRs to be Procured and Budget Estimates (see **Annex 8 and 9**) shall be submitted to the SDO as the procuring entity, through the Bids and Awards Committee, copy furnished the Schools Division Superintendent as the Head of Procuring Entity. The BAC with its Secretariat shall prepare the bidding documents and initiate the procurement activities. The total quantities to be procured per title shall be the aggregation as indicated in the Allocation List.

## **A. 2 Procurement Activities**

Procurement of SLRs for library hubs shall be done at the regional level and for the school libraries at the division level when utilizing CO downloaded funds. The SDOs and schools are not precluded to conduct procurement activities for SLRs using the scoping and evaluation process as herein provided when utilizing their respective local funds.

Competitive/public bidding shall be the mode of procurement for SLR categories in the Allocation List with two or more titles listed. Bidding requirements and procedure shall be undertaken in accordance with the provisions of R.A. No. 9184 and its IRR and other relevant rules and regulations. The procedure includes the conduct of pre-procurement conference, posting of the bid opportunity, conduct of the pre-bid conference, opening of bids, bid evaluation, post-qualification, resolution of requests for consideration, recommendation to award contracts to the Head of procuring Entity or his/her duly authorized representative, the issuance of Notice of Award, contracting, and issuance of Notice to Proceed.

Notwithstanding a lone eligible title for a certain category in the Allocation List, competitive bidding shall also be undertaken on the assumption that the title is available from publishers, or through authorized distributors or sub-dealers to allow competition and possible lower price offers.

**A. 3 Supply and Delivery of SLRs**

A specific time period for a project or contract shall be undertaken by the supplier in accordance with the contract documents for the supply and delivery of SLRs.

The RO as the procuring entity for library hubs and the SDO as the procuring entity for school libraries may identify delivery sites which is more feasible and cost-efficient provided that the SDOs or schools have set provisions for delivery of SLRs, provided further that compliance with all laws, rules, and regulations is ensured.

**B. Flowchart on the Provision of SLRs**

The following figure shows the systematic provision process of SLRs that shall be followed:

**Provision of Supplementary Learning Resources (SLRs) Flowchart**

The DepEd acknowledges the significant contribution of stakeholders in assisting and helping schools and library hubs augment their available LRs through donations.

Stakeholders are encouraged to donate SLRs but these shall undergo evaluation process as stipulated in this issuance, and other government rules and regulations.

## **VI. Monitoring and Evaluation**

Implementation of this DepEd Order shall be monitored and evaluated by the BLR based on the implementation plan, monitoring and evaluation plan, and in accordance with DepEd Order 29, s. 2022 or the Basic Education Monitoring and Evaluation Framework (BEMEF).
