REGIONAL MEMORANDUM  
No. 089, s. 2024

**SCHOOL VISIT ON THE FUNCTIONALITY OF THE CHILD PROTECTION  
COMMITTEE IN SCHOOLS**

To: Schools Division Superintendents  
Chiefs, School Governance and Operations Division (SGOD)  
Division Learner Rights and Protection Focal Persons  
Public and Private Elementary and Secondary School Heads  
All Others Concerned

1. Pursuant to DepEd Order No. 40 s. 2012 titled "DepEd Child Protection Policy" that aims to protect learners from abuse, violence, exploitation, bullying and all other forms of abuse.
2. Further, all public and private elementary and secondary schools shall establish a Child Protection Committee (CPC) which its compositions and functions are stipulated in DepEd Order No. 40 s. 2012.
3. The Schools Division Offices (SDOs) through the Division Learner Rights Protection Coordinators shall conduct school visit to assess the functionality of the Child Protection Committee (CPC) of all schools under respective division and provide technical assistance/guidance on the establishment of CPC and its learner rights and protection advocacy programs, projects and activities. In addition, the Regional Office team shall also visit schools to conduct Monitoring, Evaluation and Accountability and Learning (MEAL) on the functionality of CPC in schools.
4. The Child Protection Committee in Schools shall be assessed on the following areas.
  - 4.1 Organization and Coordination;
  - 4.2 Policies and Guidelines;
  - 4.3 Capacities and Resources; and
  - 4.4 Accountability and Performance.
5. The Schools Division Offices (SDOs) through the Division Learner Rights Protection Coordinators shall submit/upload consolidated report on the four (4) areas of CPC functionality on or before March 15, 2024 via this link: [http://rimayud.com/CPC\\_Visit\\_report](http://rimayud.com/CPC_Visit_report).
6. Expenses incurred on the conduct of this activity shall be charged against the local funds subject to usual accounting and auditing rules and procedures.

Republic of the Philippines  
**Department of Education**

OFFICE OF THE UNDERSECRETARY FOR OPERATIONS

**ENCLOSURE**  
**CPC Functionality Tool**

The Child Protection Committee (CPC) Functionality Tool is a set of indicators to measure the level of functionality of CPCs in schools. These indicators were culled from the functions of the CPCs as stipulated in Department Order 40, and from the Child Protection Policy Implementation checklist of the Department of Education (DepEd). The findings and recommendations of the study conducted by Social Watch, including the FGDs with school stakeholders and the children's consultations, also informed the finalization of the indicators.

**Functions of the CPC:**

1. Draft a school child protection policy with a code of conduct and a plan to ensure child protection and safety, which shall be reviewed every 3 years;
2. Initiate information dissemination programs and organize activities for the protection of children from abuse, exploitation, violence, discrimination, and bullying or peer abuse;
3. Develop and implement a school-based referral and monitoring system;
4. Establish a system for identifying students who may be suffering from significant harm based on any physical, emotional or behavioral signs;
5. Identify, refer, and report to the appropriate offices cases involving child abuse, exploitation, violence, discrimination and bullying;
6. Give assistance to parents or guardians in securing expert guidance counseling from the appropriate offices or institutions;
7. Coordinate closely with the Women and Children Protection Division of the Philippine National Police (WCPD-PNP), the Local Social Welfare and Development Office (LSWDO), other government agencies, and NGOs;
8. Monitor the implementation of positive measures and effective procedures in providing the necessary support for the child and for those who care for the child; and
9. Ensure that the children's right to be heard are respected and upheld in all matters and procedures affecting their welfare.

Republic of the Philippines  
**Department of Education**

OFFICE OF THE UNDERSECRETARY FOR OPERATIONS

The Functionality Tool aims to strengthen the child protection committees with the following specific objectives:

- a) Provide concrete indicators to measure the functionality of the CPC in schools.
- b) Capture the specific status of the CPCs in five areas of work
- c) Serve as basis and direction for the assistance from the DepEd Central Office to the Regional and Division offices.

There are five indicators that represent broad work areas of a CPC. Each indicator has specific sub-indicators:

1. Organization & Coordination
  - a) Establishment or Reorganization of CPC
  - b) Coordination Mechanism
2. Policies & Guidelines:
  - a) Child Protection policy & operational guidelines
3. Capacities and Resources
  - a) Orientation /Capacity building activities for the CPC
  - b) Budget allocation for CPC operations and its financial sustainability
4. Service Delivery
  - a) Prevention programs (Information dissemination and other promotional activities on child protection)
  - b) Existence of quick response system for child protection
  - c) Referral system, case management, and monitoring and documentation of cases
  - d) Proactive identification and reporting of VAC cases (Early detection)
5. Accountability and Performance
  - a) Availability and accessibility of statistical report on cases handled
  - b) Child participation in CPC planning, implementation and evaluation (refer to child friendly tool)

Republic of the Philippines  
**Department of Education**

OFFICE OF THE UNDERSECRETARY FOR OPERATIONS

c) CPC Monitoring and evaluation

The CPCs are assessed based on these work areas and are given corresponding scores according to level of functionality:

1. Not yet in place
2. Planning stage
3. Early stages of development
4. Partially functional
5. Fully functional

**Scoring Method**

The CPC will discuss and assess each indicator and sub-indicator and agree on the score ranging from 1 to 5. A score of 1 means the sub-indicator is Not yet in Place (or is absent); 2 means the sub-indicator is still in the planning stage; 3 means the sub-indicator is in the Early Stages of Development; 4 means, partially functional; and 5 means fully functional.

To help guide the committee in assessing and rating their performance, there are verification measures in each score per sub-indicator. The score will be determined if all verification measures have been ticked. A higher score or rate can be obtained if the verification measures at the lower score or rate are complete. For example, a CPC can rate itself 3 if there are verification measures under this score that are present and if all the verification measures under the scores 1 and 2 are present or have been accomplished.

The rating for each main indicator is the average of the scores of the sub-indicators. While the overall rating will be the sum of the scores for each main indicator. The highest rating is 25, where each main indicator will have a rating of 5 while the lowest rating is 5, where each indicator will have a rating of 1.

The scoring system is also designed to help the CPC improve its functionality. For example, while a score is generated for the main indicator, the sub-indicators status will show in which areas the committee is weak and which areas it is strong.

Republic of the Philippines  
**Department of Education**

OFFICE OF THE UNDERSECRETARY FOR OPERATIONS

---

The scores will be based on the verification measures and the accompanying documents that will help describe the status of the sub-indicators. The accompanying documents are required to show proof of accomplishment which provides clear bases of the scores. The functionality tool and the accompanying documents will be reviewed by the Division Office as part of its CPC assessment and monitoring functions.

*NOTE: It is important to remind the CPC members that an increase in the number of reports or cases indicates trust and confidence in the reporting and referral system of the CPC. Schools with high reported cases should not be discriminated against and ostracized. Instead, prevention measures can be strengthened in collaboration with the LGU. Meanwhile, its functional reporting and referral system can be documented as a community of practice and for possible replication in other schools.*
