SUBJECT: REQUEST LETTER TO CONDUCT

**2024 International Mind Education Training
Focused on "Character Education":
Cultivating of the Heart and Mindset Reformation
for Professional and Social Development for Non-Teaching Personnel**

Dear Dr. Eclar,

Greetings of peace from IYF/IMEI!

As a partner of DEPED Region 3, we sincerely thank you for allowing us to be a part of your program Ukit MARANGAL "CREATING A MODEL OF TRANSFORMING EDUCATION".

"Educating the Mind Without Educating the Heart is No Education at All" – Aristotle

People who have achieved success but suffer from pain and misery in their hearts. Despite facing great difficulties, others enjoy hope, faith, and gratitude; the difference is the world of the heart.

Mind Education is a systematic study of the heart with unprecedented effectiveness and unparalleled practicality. It strives to change lives by educating people about the world of the heart, which strengthens the mind. Mind education covers central concepts and solutions to the problems of the heart such as Self-Control, Deep Thinking, Connection, and Exchange through presentations designed for all ages.

The International Mind Education Institute specializes in character and mind education, presenting the proper mindset for a happy life in humanities. The organization systematically operates educator forums and mind education specialist training in many countries; Mind lecture and counseling programs in schools, military bases, government offices, industries/businesses, prisons, etc. Upon signing the MOU with educational institutions all over the world, IMEI supports the establishment of Mind Education Departments in universities, and proposes the vision and direction of Mind Education through academic exchanges, promoting active association activities

However, we aim for our Non-Teaching Personnel of DepEd Region 3 to experience our life-changing mind education training. For them to develop further in their field and realize the importance of the heart in Working. And for them to create a transformative impact on society.

In line with this, we will conduct a 2024 International Mind Education Training “Focused on Character Education”: Cultivating of the Heart and Mindset Reformation for Professional and Social Development for Non-Teaching Personnel from the Department of Education, Region III at a venue subsequently announced. With a target participant of 500 per cluster. A minimal fee of (Php 3,500) includes an international certificate, training kits, lunch, and snacks. **Accommodation not included**

Kindly note that our training is classified as international, hence a certificate from us is given due credit by the regional office and division.
