DIVISION MEMORANDUM

No. 213, s. 2024

RENAMING THE CLUSTER ASSIGNMENTS OF THE PUBLIC SCHOOLS DISTRICT SUPERVISORS

To: Assistant Schools Division Superintendent
SGOD Chief Education Supervisor
CID Chief Education Supervisor
Heads of Public Elementary and Secondary School Heads

1. The original district names in the division of Angeles City officially recognized in the central and regional offices have generic labels of **North**, **East**, **West**, and **South**, which were formed through hierarchical techniques.

2. With this, renaming the cluster assignments of the public schools district supervisors is essential for better communication, informed decision-making, and alignment with the division goals.

3. The following are the implications of renaming the cluster assignments of the public schools district supervisors:

- Renaming the cluster assignments of the public school district supervisors based on their district names can improve the organization's interpretability and communication.
- It provides internal and external stakeholders with ease of reference and helps them better understand the geographical location of the cluster assignments based on their district names.
- It may help public schools district supervisors better reflect the purpose of their clusters in alignment with the division goals or objectives.
- It makes cross-functional communication easier when working in teams and ensures that everyone is using the same terminology, which promotes smoother collaboration.

4. Enclosed is the list of the newly renamed cluster assignments based on their district names, along with the names of the public schools district supervisors for reference and guidance.

5. Immediate dissemination of and strict compliance to this Memorandum are directed.
