8th DokyuBata Video Documentary Contest

I. BACKGROUND

The State recognizes the vital role of the youth in nation-building and shall promote and protect their physical, moral, spiritual, intellectual, and social well-being by enhancing their overall development, taking into account sectoral needs and conditions in the development of educational, cultural, recreational policies and programs addressed to them. Likewise, the State recognizes the importance and impact of broadcast media, particularly television programs on the value formation and intellectual development of children and must take steps to support and protect children's interests by providing television programs that reflect their needs, concerns, and interests, without exploiting them. The State further recognizes broadcasting as a form of mass communication guaranteed by the Constitution, the exercise of which is impressed with the public interest, and which imposes upon the broadcast industry the social responsibility of ensuring that its activities serve the interest and welfare of the Filipino people.¹

Consequently, the National Council for Children's Television (NCCT) is mandated to formulate policies on children's media programs and recommend plans and priorities for the government towards the promotion, development, production, and broadcasting of child-friendly programs for children. The NCCT created DokyuBata in order to produce quality television programs that will truly reflect the needs, concerns, and interests of Filipino children.

A. DokyuBata: Isang Pagdiriwang ng Dokumentaryong Pantelebisyon Para sa Batang Pilipino"

DokyuBata is an annual video documentary contest that began in 2017. Video documentaries are generally cost-efficient, allowing even students to create their own without the stringent production processes typical in mainstream media, films, clips, and other commercialized videos. This competition aims to provide a platform where aspiring young television documentarists can showcase their talents, share their work, and encourage the public to participate in creating child-friendly quality programs.

With the rise of technological innovations, the younger generation can now be recognized as prosumers. Through DokyuBata, children (aged 12 and older) and adults have a platform to produce child-friendly media content and become agents in building a well-informed and media-literate nation. The NCCT believes that this competition enables children to tell stories and express their thoughts creatively.

- B.** For this year, the NCCT encourages students, teachers, schools, documentary filmmakers, and the local government to participate in the **seven (7) major DokyuBata activities**, namely:

¹ RA 8370, Section 2 – Declaration of Policy

1. **Lakbay DokyuBata** - a homecoming event in April for selected DokyuBata winners that brings honor and inspiration to communities by recognizing homegrown child-friendly documentarists.
2. **DokyuBata TV** – a television program that showcases selected DokyuBata entries featuring all winners.
3. **DokyuBata Masterclass** – a three-day workshop every June designed to train aspiring documentary filmmakers and help them create excellent, broadcast-quality documentaries. Schools, particularly those under the Department of Education's Special Program for the Arts (SPA) – Media Arts, are encouraged to participate, represented by a student (writer or director) and a supervising adult teacher. Participants who complete the workshop receive e-certificates.
4. **DokyuBata Classroom** – a workshop and talkback session in June focused on the main theme, Gender Fair Language and Images (GFLI), intellectual property rights, and graphic design for creating child-friendly documentaries. Participants who meet the workshop requirements receive e-certificates.
5. **DokyuBata Rewind** - features finalists from the Gawad Ramon "Bong" Osorio (GRBO) category, sharing the journey and impact of their documentaries on their production team, the subject of their case study, and the community. This feature will be available on NCCT's Facebook page and YouTube channel in September.
6. **DokyuBata Virtual Screening** – a three-day online screening event in each division's Top 10 finalists via the NCCT Facebook page and YouTube channel, where viewers can stream featured documentaries and vote for the "Audience Choice Award."
7. **DokyuBata Awarding Ceremony** – an in-person event held in November, also streamed via NCCT online channels and pages.

II. DOKYUBATA 2024 THEME

"Alab ng Dokyu: Mga Isyu sa Kalinangan, Klima, Kalusugan, at Komunidad"

Sa ika-walong taon ng DokyuBata, nais nating kilalanin ang kapangyarihan ng dokumentaryo na magingas ng mga pagbabago sa pananaw at lipunan. Ang matunghayan ang mga makabatang dokumentarista bilang mga "tanod-bayan". Kung saan ang mga dokumentaryo ay sinaliksik, siniyasat at naka-angkla sa katotohanan.

Sa taon din na ito ay nais natin mag-alab ang mga dokumentaryo na naka-ugat sa Pagpapahalagang Pilipino². Ilalahad ang mga paksa at ang kaugnayan nito sa mga pinapahalagahan nating mga Pilipino.

Ang Philippine Development Plan (PDP) 2024-2028 ay naka-ayon sa AmBisyon Natin 2040 kung saan mithiin ang magkaroon ng pamahalaang naglilingkod upang matupad ang mga pangarap

² Pag-aaral sa mga Halagahang Pilipino, isang Paglalagom ng National Economic Development Authority (NEDA) at National Commission for Culture and the Arts (NCCA) noong 2021. <https://ncca.gov.ph/wp-content/uploads/2021/04/Fil.-Values-Primer-Filipino.pdf>

nating Pilipino na matatag, maginhawa at panatag na buhay. Nawa ang mga dokumentaryong ito ay maging katalista ng mga pagbabagong kailangan ng lipunan.

Ang mga interesadong sumali sa Dokyumento 2024 ay pipili sa mga sumusunod na paksa:

1. Maagap
 - a. Sa isyung napili talakayin ang kaugnayan nito sa pagiging maagap?
 - b. Ilahad ang pakikilahok at ang kultura ng bayanihan.

Ang pag-uugnay ng mga isyu sa pagpapahalagang Pilipino ay pag-unawa sa kung paano tayo tumutugon sa mga isyung kinakaharap natin bilang mamamayan ng bansa. Layunin natin ang lumalim ang pagkilala sa ating kamalayang Pilipino sa pamamagitan ng pagbubuklod ng mga kuwento mula sa iba't ibang panig ng ating bansa. Sa alab ng katotohanan mula sa mga dokyu, bibigyang diin ang kaisipang "Lokal muna, bago Global". Malikhaing hahabiin ang mga kuwento at mga pagpapahalagang Pilipino upang ang bawat pagbabago ay nakaugat sa mas malalim pang kamalayan ng ating pagka-Pilipino.

Sa huli, ang DokyuBata sa ika-walong taon, ay patuloy sa pagbuo ng pambansang naratibo na nagpapakilala sa lahing Pilipino—sa tayog ng mga pangarap natin, sa realidad na ating hinaharap, at sa nais nating maging tatak sa mundong ito.
