1. In adherence to DepEd Order No. 29, s. 2017, "Policy on System Assessment in the K-12 Basic Education Program," the Philippines shall participate in international assessments, one of which is the 2022 PISA for international benchmarking. The Bureau of Education Assessment (BEA) shall spearhead the PISA administration in the country and serve as the National Center for the Programme.

2. The goal of PISA is to evaluate education systems worldwide by testing the skills and knowledge of 15-year-old students, who are approaching the end of their compulsory education. PISA tests how students can apply their knowledge to real life situations and problems, rather than testing knowledge recall. Every three years, participating countries assess their 15-year-olds in three cognitive domains: Reading, Mathematics, and Science; and in PISA 2025, **Science** is the major domain, and **Learning in the Digital World** is an innovative domain, which will be administered through a Computer-Based Assessment (CBA) scheme.

3. In view of this, DepEd Regional Office 3 (DepEd-RO3), through the Curriculum and Learning Management Division (CLMD), shall conduct the **Online Writeshop on the Development, Validation, and Finalization of PISA-aligned Test Questions cum Conversion for Learning Management System (LMS)** on the following dates via MS Teams from 8:00 a.m. - 5:00 p.m., to wit:
