FROM : 
ANNALYN M. SEVILLA

SUBJECT : PROHIBITION OF SOLICITATION TO TECHNICAL
VOCATIONAL INSTITUTIONS (TVIs)

This refers to a complaint received by the Government Assistance and Subsidies Service (GASS) on the alleged request and demand of a certain public school for financial donations and equipment from a Technical Vocational Institution (TVI) in exchange of prioritization for the Joint Delivery Voucher Program (JDVP) partner selection.

It is worth noting that, pursuant to DepEd Order No. 049, *Amendments to DepEd Order No. 047 s. 2022 (Promotion of Professionalism in the Implementation and Delivery of Basic Education Programs and Services)*, Item 2.1. a. reminds officials and employees to practice the highest form of professionalism and refrain from seeking endorsements, recommendations, support, consideration, political accommodations, or any form of intervention from other government personnel or similar entities outside of DepEd.

Furthermore, the *Code of Conduct and Ethical Standards for Public Officials and Employees*, Republic Act No 6713, Section 7. d. states that public officials and employees shall not solicit or accept, directly or indirectly, any gift, gratuity, favor, entertainment, loan, or anything of monetary value from any person in the course of their official duties or in connection with any operation being regulated by or any transaction which may be affected by the functions of their office.

In light of these provisions, we remind all Regional Directors, Schools Division Superintendents, and School Heads that requesting or demanding donations in exchange for JDVP partner selection is strictly prohibited. Any violation of these provisions will be subject to appropriate legal action and consequences.
