SCHOOLS DIVISION OFFICE OF ANGELES CITY

09 Feb 2026

**DIVISION MEMORANDUM**

No. 065, s. 1 2026

**SCHEDULES OF NETTING/MISTING FOR DENGUE PREVENTION OPERATIONS**

To: Assistant Schools Division Superintendent  
Chief Education Supervisor, School Governance Operations Division  
Chief Education Supervisor, Curriculum Implementation Division  
All Heads of Public Elementary and Secondary Schools

1. In line with the Division's continuing inter-agency collaboration to prevent and control the spread of dengue, in partnership with the Office of the City Mayor through its Environmental Health Services, another batch of selected public schools shall implement dengue prevention activities, specifically netting and misting operations, as scheduled.
2. In this regard, this Office hereby informs all concerned schools of the attached schedule detailing the conduct of dengue prevention operations.
3. All concerned are enjoined to disseminate this information immediately to relevant personnel and stakeholders and to ensure strict compliance with the stated schedules and guidelines.

**ENGR. EDGARD C. DOMINGO, PHD, CESO V**  
Schools Division Superintendent  
Angeles City

Subject: **SCHEDULE FOR MISTING OPERATIONS**

Dear Engr. Domingo:

Greetings in the name of public health and service.

Attached herewith is the schedule for the misting operations to be conducted in selected public schools within Angeles City as part of the Dengue Prevention and Control Program.

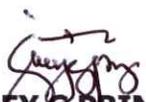

To ensure the effectiveness of the misting operations, the following requirements must be strictly complied with:

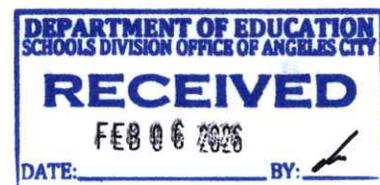

- A mandatory clean-up drive shall be conducted prior to the scheduled misting.
- Schools that fail to conduct the required clean-up drive shall not be included in the misting operations.
- School premises must have zero used tires.
- All used tires must be gathered in one designated area, and the school is advised to coordinate with the Environmental Management System (EMS) for proper collection and pick-up.

Your support in ensuring full compliance with the above requirements is requested to effectively reduce dengue risks and maintain a safe and healthy school environment for learners and personnel.

Thank you very much for your continued cooperation and support. Should you require further information or clarification, please do not hesitate to contact our office.

Sincerely yours,

  
**JOEY G. PRING**  
Sanitation Inspector I  
Dengue Prevention and Control Program Coordinator
