Subject: ENDORSEMENT AND SUPPORT FOR THE ANGELEÑO YOUTH LEADERSHIP AWARDS (AYLA) 2026

Dear Engr. Domingo:

Greetings of peace and youth empowerment!

The Angeles City Youth Development Office (ACYDO), under the City Government of Angeles, respectfully endorses the Angeleño Youth Leadership Awards (AYLA) 2026, with the theme “Ing Parul ning Kayanakan,” and seeks the support and cooperation of the Schools Division Office of Angeles City in promoting and facilitating the participation of qualified young Angeleños from both public and private schools within Angeles City.

The AYLA 2026 is an annual recognition initiative of ACYDO that seeks to celebrate and recognize young Angeleños who demonstrate meaningful leadership, service, perseverance, creativity, achievement, and contribution to the community.

Inspired by the *Lubenas ning Pasku* and the *parul*, this year's theme, “Ing Parul ning Kayanakan,” reflects the belief that every young person carries a unique light. Through their accomplishments, experiences, and service, young Angeleños help illuminate their communities and contribute to a brighter Angeles City.

For AYLA 2026, the application process has been designed to be more accessible, meaningful, and youth-friendly. Applicants will be asked to present their three (3) best accomplishments, supported by reasonable documentation. Qualified applicants must be residents of Angeles City, aged 15 to 30 years old, and classified as youth will undergo the prescribed evaluation process, including paper screening and panel interview, depending on the award category. The 2026 edition also introduces the ALS Youth Leader Category, providing an avenue to recognize the accomplishments, leadership, perseverance, and community contributions of qualified Alternative Learning System (ALS) learners.

In this regard, we respectfully request the assistance of the Schools Division Office of Angeles City in disseminating the AYLA 2026 guidelines and application information to schools, learning institutions, and concerned personnel, and in encouraging qualified school-based youth leaders and ALS learners to participate in this city-wide recognition program.

The following is the proposed AYLA 2026 timeline:
